

Player Contract

Being part of a team gives me the opportunity to become part of something bigger than just myself. I understand that my teammates and coaches will depend on me to be on time and to do my best. This contract is my pledge that this team is a priority to me. I will make every effort to *demonstrate* the highest standard of excellence and Christian character.

With God's help, I will:

- Commit to developing my God-given abilities and to use my talents to minister to others.
- Do my best to maintain good grades and remain academically eligible.
- Not make appointments that conflict with the team's schedule.
- Be on time for all practices and games.
- Notify my coach as soon as possible if I am not able to come to a practice or a game.
- Understand that excessive absences or tardiness may cause me to lose my place on the team.
- Give my best effort during each practice and game.
